

# VEHICLE PARKING OPERATIONAL PLAN – TRINITY SPORTS (ALL EVENTS GERMISTON LAKE)

Vehicles can access the parking area by turning off Rand Airport Road at the robot into the service road leading to Germiston High School. They will turn right at the T-junction, drive through the green gate and a security official will show them to turn left into the parking area.

This area is known as the Jazz Parking lot and is situated next to the Victoria Hall inside the Ekurhuleni Municipal Park at Germiston Lake. 1 security official will be stationed at the entrance/exit to the parking area, with 2 more officials roaming inside the parking lot to ensure vehicle safety.

After parking, athletes will proceed on foot past the gate that leads to the Victoria Hall and on through the side gate that grants them access to the municipal park. Upon entering, they will turn right and walk down to registration situated next to the fountain at the main entrance/exit to the Park.

After the race, athletes will make their way back to their cars via the same route and exit the precinct the same way they used to enter it.
